

Company: Datavault Global  
Document Type: Compliance Bulletin  
Issued Date: May 20, 2025

Subject: Revised Cross-Jurisdiction Data Residency Guidelines

This document outlines the updated residency and localization requirements for customer data collected in EU and APAC markets.

Key Points:

- All financial data must reside within country boundaries.
- Third-party processors must undergo compliance audit.
- Encryption standards updated to AES-512.

Issued by: Global Regulatory Council
